

Birds and Exotics of the World

Presented by Luis Caraballo

Luis Caraballo has had a love for wildlife since he was a young boy. He volunteered at local reptile shops where he acquired the skills to professionally care for wildlife. For the past 20 years Luis's Passion and love for wildlife is stronger than ever and he formed "Birds and Exotics of the World" to show what awesome creatures fly in our skies!!! From his beloved Eurasian Eagle Owl, to an Augur Buzzard, to a Tawny Eagle (to name just a few)

His witty humor and fun facts makes you feel like you are a part of the show!!!!
